

ВХОДНЫЕ  
данные

```
graph LR; A[ВХОДНЫЕ данные] --> B[CNN]; B --> C[ВЫХОДНЫЕ данные];
```

The diagram illustrates a sequential process. It begins with a rectangular box on the left containing the text 'ВХОДНЫЕ данные' (Input data). A horizontal arrow points from the right side of this box to the left side of a second rectangular box in the center. This central box contains the text 'CNN'. Another horizontal arrow points from the right side of the 'CNN' box to the left side of a third rectangular box on the right. This final box contains the text 'ВЫХОДНЫЕ данные' (Output data). All boxes and arrows are drawn with black outlines on a white background.
